Dear Parishioner,

We appreciate your contributions to the Mission parish community and especially recognize those who will now use our Online Giving service. Please note that the Mission has no access to your bank or credit card information. A third party secure service receives your contributions and deposits your donation into the parish bank account followed by a report of your donation to the parish.

Our Mission families are choosing Online Giving because it lets them:

- Give When They Want with flexible weekly, monthly, quarterly or one-time gift options
- Donate directly from checking, savings, and credit/debit card accounts
- Give toward special collections and offertory, even tuition fees
- Change Donations, adjust amounts or update account information anytime, anywhere
- Go Paperless: no paper forms, checks, or ATM stops before church on Sunday

To get started or to learn more about Online Giving, please click the Online Giving link on our Mission church website at www.sanbuenaventuramission.org and click the Online Giving link under the Sunday Mass Schedule to the right of the page. If you don’t have web access or need help, please contact Dana Hanson, John Baker or me at 643-4318 to have an automatic payment plan set up for you.

Shalom,

Fr. Tom Elewaut, V.F.
Pastor

P.S. Some helpful steps to consider:

1. Go to our Mission website and click the Online Giving icon under the Sunday Mass Schedule found on the right side of any page
(suggest that you save the URL link on your computer “Favorites” or “Bookmarks” page).

2. You are now on the secure Online Giving page. Click on “Create New Account” and provide your personal information:
   1. Create your personalized I.D.
   2. Create your personalized password
   3. Complete your “Personal Information”
   4. Complete your “Address Information”
   5. Enter the scrambles “Security Code” at the bottom of the box
   6. Click on the “Submit” button.

3. Now close out this website link and open your email account and the email from the Online Giving sender and click on the link in the email as directed.

4. You have now created and confirmed your Online Giving Account. Now go back to the Online giving from your “Favorites” or “Bookmarks” or from the Mission website.

5. Log in to the Mission Online Giving page using your ID and password that you just created.

6. Open the “My Payment Methods” link to the left and middle of the box. Here you will input your bank or credit card info. Again, this is secure to you and the Mission does not receive this information.

7. Now you are actually ready to make a contribution to San Buenaventura Mission. Open the “Give a New Gift” section and then “Weekly Offering”...and decided if this is a one-time offering or a recurring offering. You will have options for the recurring offering...weekly, monthly, quarterly, etc.

Congratulations...you did it!
Thank you for your commitment to invest in the Mission parish that you love. You have the opportunity to change your giving at any time. At special seasons you will have the option to give a specific amount for a specific occasion.

May our good God bless you for your commitment of time, talent, and treasure.

Siempre Adelante: United in God’s love as a Mission Family.
